

THE STORY OF LIFETASTIC

Tickle your palate with our signature Watermelon Strawberry Layer Cake.

The scent of roses perfuming the layers filled with fresh and succulent watermelons and strawberries, toasted almond and pistachio for a hint of nuts and texture. It is an indulging experience and a must try when in Hong Kong.

Our cakes were inspired by a trip our founders made to Australia in 2016.

They were intrigued by what they have tasted and saw and felt a strong intuition to bring the experience back to share with the discerning Hong Kong palates. Our founders believed that they could bring a twist to their offerings by creating new and exciting recipes for the local tastes. After much hard work and perseverance, the fantastic journey of LIFETASTIC took off when the first Watermelon Strawberry Layer Cake debuted.

Today, we offer over 20 selections with "a happier and healthier taste that you can savour" including vegan and keto-friendly choices. All creations are full of unique ingredient combinations. All "Insta-worthy"!
