# LIFETASTIC®

Tickle your palate with our cakes.

Our cakes were inspired by a trip our founders made to Australia in 2016. They were intrigued by what they have tasted and saw and felt a strong intuition to bring the experience back to share with the discerning Hong Kong palates. Our founders believed that they could bring a twist to their offerings by creating new and exciting recipes for the local tastes. After much hardwork and perseverance, the fantastic journey of LIFETASTIC took off when the first Watermelon Strawberry Layer Cake debuted.

Today, we offer multiple selections with "a happier and healthier taste that you can savour". All creations are full of unique ingredient combinations. All "Insta-worthy"!
